+91 87802 00854 | hetsonkusare7@gmail.com | <https://hetportfolio-mu.vercel.app/> | Ahmedabad, India

PROFILE

Video Editor & Motion Graphics Artist with 2+ years of experience creating 250+ videos for healthcare brands, hospitals, startups, and digital creators. Currently working as a Video Editor at Last Page Media, producing high-impact content for 30+ healthcare brands across Ahmedabad. Skilled in cinematic editing, motion graphics, colour grading, sound design, and AI-powered content production. Experienced in creating high-retention content for YouTube, Instagram Reels, and paid advertising campaigns that drive audience engagement and brand growth.

EXPERIENCE

Video Editor

Mar 2026 – Present

[Last Page Media](#) · Ahmedabad, Gujarat

- Edited 200+ healthcare videos for 30+ hospitals and medical brands across Ahmedabad.
- Produced doctor interviews, talking-head videos, patient stories, and awareness campaigns.
- Created AI-powered video content using advanced tools for voiceovers, visuals, and motion graphics.
- Delivered platform-optimized content for YouTube, Instagram Reels, and Meta Ads.
- Performed colour grading, sound design, subtitles, and motion graphics for every project.
- Collaborated with doctors, marketers, and creative teams to maintain consistent brand communication.
- Managed large media libraries and streamlined editing workflows for faster project delivery.

Freelance Video Editor

Jan 2024 – Mar 2026

[Self-Employed](#) · Remote, India

- Delivered 50+ editing projects for content creators, startups, and small businesses across India with consistent 5-star client feedback.
- Produced YouTube long-form edits, Instagram Reels, product demo videos, and brand promotional films end-to-end.
- Handled complete post-production: rough cut, colour grade, sound design, music sync, SFX, subtitles, and final export.
- Built lasting client relationships that resulted in a 60% repeat-business rate within the first year of freelancing.
